Preparation guide for new Form 1 and Form 5 students

Congratulations on progressing with your admission to St. John Secondary School. Use this guide to prepare. Your official admission letter and school communication provide the final reporting details.

Before reporting to school

- Confirm the reporting date and time stated in your admission communication.
- Complete and return the admission form with parent or guardian details.
- Prepare copies of the student's birth certificate and examination results.
- Bring two recent passport-size photographs.
- Arrange transfer documents from the previous school, where applicable.
- Form 5 students should confirm their selected subject combination with the school.

Confirm with the school

- Current fee structure and payment instructions
- Uniform requirements and where to obtain items
- Boarding arrangements and permitted personal items, if applicable
- Any medical or additional documents required for the student

On the reporting day

- Report with a parent or guardian, unless the school has advised otherwise.
- Bring the original examination results and identification documents for verification.
- Keep copies of admission communication and payment receipts.

Reporting dates, fees, uniform details, and boarding requirements may vary by intake. Follow the student's official admission letter and contact the school if any detail is missing.
