ST. JOHN SECONDARY SCHOOL · MOROGORO

O-Level Joining Instructions

For newly admitted Form 1 (O-Level) students · “Knowledge for Life”

Dear parent / guardian, congratulations on the student’s admission journey. This guide explains what to prepare and the school matters to confirm before reporting. The student’s official admission letter takes precedence where it gives more specific information.

Student name: _____ **Admission number:** _____
Reporting date: To be confirmed in the official admission notice **Study begins:** As advised by the school

1. School and reporting information

St. John Secondary School is in Morogoro, Tanzania. Postal address: P.O. Box 1234, Morogoro. Contact the school before travel to confirm the exact campus directions, reporting time, transport arrangements, and the person receiving new students.

School motto: Knowledge for Life. Please report with a parent or guardian unless the school’s admission letter advises otherwise.

2. School uniform and personal appearance

Obtain the current official uniform list directly from the school before purchasing clothing or footwear. Confirm the required daily uniform, sportswear, footwear, cold-weather items, quantities, approved suppliers, and any faith-related uniform arrangements. Students are expected to maintain clean, neat, and school-approved appearance.

3. Fees and payment

$

Fee item shown on the school website	Published amount
Tuition · O-Level	TZS 1,800,000
Tuition · A-Level	TZS 2,200,000
Boarding and meals	TZS 1,200,000
One-time registration	TZS 50,000

Confirm the current official fee schedule, applicable charges for the student, payment deadlines, approved bank or payment channel, account name, and receipt procedure with the school. Do not rely on unofficial payment details or send cash with a student unless the school has explicitly instructed otherwise.

4. Personal and boarding requirements

Boarding and meals are listed among the school’s services. Ask the school for its current boarding checklist before buying items. Confirm approved bedding and mattress sizes, blankets, mosquito net, storage trunk, buckets, eating utensils, toiletries, laundry items, and any restrictions on materials or colors. Day students should confirm the items required for their daily attendance.

5. Academic materials

$

Form 1 students should bring the PSLE results and follow the school’s placement and class instructions.

Prepare basic stationery such as exercise books, pens, pencils, ruler, eraser, and a sturdy school bag. Confirm the required book list, calculator rules, dictionary or reference materials, and any subject-specific equipment with the school.

6. Health, medical information, and insurance

Tell the school about relevant medical conditions, allergies, prescribed medication, or learning support needs before reporting. Ask whether a medical examination form, health insurance evidence, or other health documents are required and how they should be submitted. Do not send medication without informing the school and following its health procedure.

7. Documents to bring

- Official admission letter and completed admission forms.
- PSLE / Standard Seven results slip and original documents for verification, plus copies where requested.
- Copy of birth certificate and two recent passport-size photographs.
- Transfer / clearance documents from the previous school, if applicable.
- Completed medical and parent / guardian forms required by the school.
- Fee payment receipts, if payment has been made through the approved channel.

8. School rules, conduct, and student welfare

Students must follow the school’s written rules and timetable, attend lessons and supervised activities, respect staff and fellow students, care for school property, maintain personal and environmental cleanliness, and observe campus and dormitory boundaries. Boarding students must use their assigned bed and dormitory. Parents and students should read and sign the school’s current code of conduct.

9. Worship, visits, and communication

Follow the school's current policy for worship and student activities. Confirm visiting days, visiting hours, communication channels, and items parents may bring before making a visit. Use the school office for urgent communication and do not send food, phones, chargers, or other restricted items unless the school has approved them.

10. Travel, leave, and safety

Parents / guardians are responsible for arranging the student's journey to and from school, unless the school communicates an approved transport option. Confirm travel dates and leave procedures in advance. Students must follow staff instructions, stay within school boundaries, and not bring weapons, illegal substances, or other items prohibited by the school's rules.

10.1 Student identity and records

Use the same full name recorded on the student's national examination documents and birth certificate. If records differ or a legal name correction is needed, tell the school and provide supporting documentation before examination registration.

10.2 Parent / guardian responsibilities

Keep the school informed of current parent and emergency contact numbers. Send instructions, money, or permitted items through the school office and follow the official communication procedure. Complete all parent consent, student history, and conduct forms requested in the admission pack.

10.3 Hygiene, campus life, and activities

Students are expected to maintain personal hygiene, keep classrooms and dormitories clean, participate in supervised school duties and activities, and respect the timetable. Participation in sports, clubs, cultural activities, and other school programs should follow the school's schedule and rules.

10.4 Dormitory arrangements and restricted items

Boarding students must stay in the dormitory and use the sleeping place assigned to them. Confirm the school's current rules on phones, chargers, electrical appliances, personal clothing, sharp tools, and other restricted items before packing. Weapons, illegal drugs, and items that put students at risk must not be brought to school.

10.5 Visitors and student communication

Visits should take place only on the days and hours announced by the school. Confirm whether food, parcels, or personal items may be delivered. For urgent matters, parents / guardians should contact the school office rather than sending messages or instructions through another student.

10.6 Travel and school holidays

Parents / guardians should arrange and pay for travel unless the school has shared a specific approved transport plan. Confirm departure and return dates before each holiday. Follow the school's instructions on travel clothing, sign-out, and return reporting times.

11. Confirm these details with the school

□ Reporting date and start date □ Exact location and travel directions
□ Current fee schedule and official payment details □ Uniform list and supplier
□ Boarding / day student packing list □ Health forms and insurance requirements
□ Visiting and communication rules □ Any level-specific or subject-specific materials

Information that depends on the current intake is intentionally left for the school to confirm. Do not purchase level-specific uniform or boarding items until you receive the official list.
